

Brewtown RUMBLE

2018 Partnership Opportunities

Be part of the 4th Annual Brewtown Rumble Sunday, June 3 – Milwaukee’s ride-in vintage motorcycle show and rally. This is your opportunity to get involved either as a vendor or through one of our sponsorship opportunities for your business or organization.

Vendors are subject to our approval, curated to fit within our vision of handcrafted, reused/recycled, and vintage goods that fit with the vintage motorcycle show vibe.

We also feature a special music sponsorship level, a sliding-scale of \$100 to \$200 for those businesses that want to help present the entertainment with exposure near the stage.

About the event

The Rumble will be held this year on the streets of Walker’s Point on S 5th Street, hosted by Fuel Cafe at 620 S 5th St. The new location places us in a vibrant area with new motorcycle and brewing traditions. The event features a vintage bike show, vendors, food, and live music. The Rumble is organized by members of the Badger Heritage Club, Wisconsin’s chapter of the Antique Motorcycle Club of America, and Milwaukee’s MilVinMoto group.

About the cause

Proceeds from the Rumble benefit the [BUILD Moto Mentor Program](#), a 501c3 non-profit educational outreach program in Milwaukee in conjunction with a team of dedicated volunteers and motorcycle enthusiasts. By connecting high school students with teams of skilled mentors and faculty advisors, this after-school program offers students the opportunity to learn bike restoration while developing important business, trade and interpersonal skills.

Partnership Packages

Sign up by March 1st to ensure your logo is included on our printed materials and to get maximum exposure.
