

2020 Partnership Opportunities

Be part of the 6th Annual Brewtown Rumble Sunday, Milwaukee’s ride-in vintage motorcycle show and rally on Sunday, May 31. This is your opportunity to get involved either as a vendor or through one of our sponsorship opportunities for your business or organization.

Vendors are subject to our approval, curated to fit within our vision of handcrafted, reused/recycled, and vintage goods that fit with the vintage motorcycle show vibe. Neighborhood businesses are encouraged to support the event and we also feature a special music sponsorship level, a sliding-scale of \$100 to \$200 for those businesses that want to help present the entertainment with exposure near the stage. We love supporting local Milwaukee businesses when possible.

About the event

The Rumble is located on the streets of Walker’s Point on South 5th Street, hosted by Fuel Cafe in a vibrant area with new motorcycle and brewing traditions. The event features a vintage bike show, vendors, food, and live music. The Rumble is organized by members of the Badger Heritage Club, the local chapter of the Antique Motorcycle Club of America.

About the cause

Proceeds from the Rumble directly benefit the [BUILD Moto Mentor Program](#), a non-profit educational outreach program in Milwaukee in conjunction with a team of dedicated volunteers and motorcycle enthusiasts. By connecting high school students with teams of mentors and faculty advisors, this after-school program offers students the opportunity to develop important business, trade and interpersonal skills.

Partnership Packages

Sign up by April 1st 2020 to ensure your logo is included on our printed materials and to get maximum exposure. Our Presenting Sponsorship is already committed.
