

2025 Partnership Opportunities

Be part of the 9th Brewtown Rumble, the finale of the BUILD Moto Mentor Program season with a ride-in vintage motorcycle show and rally on Saturday, June 7th. This is your opportunity to get involved either as a vendor or through one of our sponsorship opportunities for your business or organization.

Vendors are subject to our approval, curated to fit within our vision of handcrafted, reused/recycled/upcycled, and vintage or retro goods that fit with the vintage motorcycle show vibe. Neighborhood businesses are encouraged to support the event. We love supporting local Milwaukee businesses and non-profits.

About the event

The Rumble will be located at Davidson Park a 4.8 acre public park on Harley-Davidson's corporate campus in Milwaukee's Near West Side neighborhood. The event features BUILD competition and awards as well as a vintage bike show, vendors, and food. The Rumble is supported by local moto-related small businesses.

About the cause

Proceeds from the Rumble directly benefit the [BUILD Moto Mentor Program](#), a non-profit educational outreach program in Milwaukee in conjunction with a team of dedicated volunteers and motorcycle enthusiasts. By connecting high school students with teams of mentors and faculty advisors, this program offers students the opportunity to develop important business, trade and interpersonal skills. BUILD is sponsored by Harley-Davidson.

Partnership Packages

Sponsors sign up by April 1st 2025 to ensure your logo is included on our printed materials and to get maximum exposure. Vendors can sign up through May 23, 2025. Our Presenting Sponsorship is currently open, please contact us to discuss interest.
